

Dear reader

Would you like to see Filament stocked more widely? Simply cut out the flyers below and present them to a newsagent, book or magazine seller or other store that you think might like to sell Filament. More flyers can be downloaded and printed at www.filamentmagazine.com/distribution.aspx

Filament

Dear retailer

This flyer has been given to you by a fan of **Filament magazine**.

Filament is an international women's magazine. Our concept is unique: brain-stimulating reading and erotic photography of gorgeous men designed especially for women. The fact that you're reading this means that people want to buy Filament from you.

To get Filament in your store, please let your magazine distributor know that you'd like them to supply Filament – you might even give them this flyer. If you don't deal with a magazine distributor, contact us at stockists@filamentmagazine.com.
