

## Filament magazine Issue 7 – US stockists – Due on sale January 8<sup>th</sup>, 2011

### Important notes

- Your local Borders or Barnes & Noble should be able to order Filament in for you from another store if they are not one of the shops on this list.
- If you do go into any shop and don't find the magazine, please mention this to the staff and preferably write the title down for them to look up. Making stockists aware of your demand is vital in helping Filament get stocked more widely.
- We deal with the stores below highlighted in green independently, which means they may carry previous issues and they will get the latest issue in sooner.
- Filament retails in the US for approximately \$12.50.
