

# New Zealand Filament magazine stockists

## How our distribution in New Zealand works

Copies of Filament arrive in New Zealand shops approximately two months after their release in the UK. Our issues are released 1 March, 1 June, 1 September and 1 December each year, so this means, for example, the 1 June issue would arrive in New Zealand shops listed below on approximately 1 August. The shops below highlighted in green deal with us directly (rather than via our distributor), so they have their copies sooner - approximately 10 days after release. If you want your copy of a recent issue as soon as possible after release, either visit one of the shops highlighted in green or buy it direct through our website – <http://www.filamentmagazine.com/buy.aspx>.

Do you want to stock Filament in New Zealand? Either contact our New Zealand distributor Gordon & Gotch – <http://www.gordongotch.co.nz> – or if you'd like to deal with us directly, contact [sales@filamentmagazine.com](mailto:sales@filamentmagazine.com).
