

STOCKISTS USA – ISSUE 8: THE WET ISSUE

- The stores **highlighted in green** deal with Filament independently, which means (a) they may also stock back issues and (b) they will generally get their copies of Filament in earlier (c) you may be able to order a copy through their website.
- If your local *Borders* or *Barnes & Noble* is not on the list, you can always try asking for Filament there: they may be able to order it in from another store.
- If you do go into a store (listed or not listed) and don't find the magazine, please mention this to the staff and preferably write the title down for them. Making stockists aware of your demand is a huge help for us in getting Filament stocked more widely.
- Filament retails in the US for approximately \$12.50.
- If you have no luck getting Filament through a stockist, you can always order a copy direct from us www.filamentmagazine.com/buy/. Copies ordered online usually arrive in the US in approximately 5-10 working days.
